2017 Training Event: Mock Utility Test

DATE: Saturday, July 29th 2017

TIME: 8:30 a.m. sharp

LOCATION: Kelley Farms, 1425 155th St N, Marine on St Croix, MN 55047 (Look for Signs)

COST: \$100.00 per dog includes birds for test – no refunds!

Running your dog for the first time? Do you need to get a “feel” for the Utility Test? Do you want your dog evaluated so that you know what to brush up on before the test? If you answered, “yes” to any of the above, consider entering the Mock Utility Test.

The Minnesota Chapter of NAVHDA will conduct a first-ever Mock Utility Test for the benefit of first time handlers and other handlers who are testing in Utility this year. This event will give you an idea of what to expect in a “real” test situation. You and your dog will gain insight into what you need to brush up on before running in a UT test. **Limited to 10 handler/dog teams** and we will perform all of the steps of the UT test. Live birds/ducks will be used.

Bring your own lunch and beverages. **No alcohol is permitted** on the grounds. **Blaze orange** will be required in the field!
